Valentines Day Love Festival

At 9 & 11 am services

Let us raise the consciousness of love in our sacred space,
releasing it out into our community, our country, and the world.

Join us in participating in our **Valentines Day Love Fest.**

The intention is for members of our church family to sing, recite a poem,
share a reading, or express the love of God in any other creative form,
spreading the love energy we were given to share.

Doesn't that sound simply delicious?

Please contact Rev Deb if your spirit is saying yes to sharing your love with the
world 289-242-4476 or choney_55@yahoo.com.

Ongoing Wednesdays, 7- 9 pm

A Circle of Friends: A Community of Kindred Spirits

The Wed. Night Friends group is still meeting and Rev. Dale is still a part of it.
This is a very powerful group for people who really want to actively cooperate
with Collective Awareness opening their lives. It's a safe group where we can
share how it feels and our experience of discovering the perfection that we are.

It's a group that requires your giving if you wish to receive from it. The group is here for you every week. How willing are you to be here for each of those who are here for you? Commitment to attendance is not required, but neither is release from living with frustration and suffering in the midst of a life that does not require it at all.

Everyone is welcome at any time.

If you wish to Skype in, please let Rev. Dale know in advance by email or phone so he can conference you in.

.Everyone welcome, anytime.

7 to 9 pm

This Week: Stop Looking for What's Not Missing

"Just remain in the center, watching. And then forget that you are there."

... Lao Tzu

We are freed to experience full joy and passion just by realizing the madness of how we choose to suffer instead, over why we don't seem to be feeling it (bliss). When we no longer need to look for what's hidden, there's no more need for concealing it.

Email Rev Dale at Unity.fm or call in live with your questions 888-472-5794.

Sing Your Soul Song

1 – 4 pm in Unit 8 (Sanctuary)

Instructor: Ruth Finlay

Every person with a voice has a soul song. Many of us leave the singing up to those who have trained voices or mere confidence. But song has been given for all to sing! Singing is given to us as part of our self expression. When we freely sing joyously we are elevated, healed, encouraged and fulfilled.

Singing is on of the easiest ways to step into the present.

It is a wonderful way to fellowship with others and forget the cares of the world.

Students will be doing vocal exercises, participating in a guided meditation, toning and when ready singing their favourite song.

Everyone who has a voice has a song.....

Cost: give what you feel is right

A CD is also available to support your vocal practice that will give you ongoing vocal exercises, toning exercises, guidance and support. *Cost \$10*

Ruth has been teaching and coaching singers for four years.

Having developed a method of training the voice for performance, she has been inspired to facilitate singing in the community of those who are seeking spiritual development. She welcomes all to join with her in this series of classes.

Everyone who has a voice has a song.....
