

“Birthing a Greater Reality”

a 3-part series

with Rev. Robert Brumet

Saturday Oct 24, 2020 | 4-hour seminar + 1-hour lunch

10:00 am – 3:00 pm (*Eastern Standard Time*)

When it feels like the end of the old world, we’ve arrived at a point of magnificent opportunity: the possibility of transforming every dimension of our life.

Robert Brumet, author of *Birthing a Greater Reality*, provides a blueprint for releasing old ways of being, entering the ground of our being and emerging as a conscious co-creator of a new reality.

To move into our new reality, we will first explore where humanity is now in its evolutionary journey. Then we will explore the process of discovering who we are and why we are here. As we integrate this knowledge with the direction of evolution we each become God’s hands and feet, raising global consciousness and creating the optimal experience of life for our self and others.

Robert Brumet, is an ordained Unity minister and also the author of *Finding Yourself in Transition*, *The Quest for Wholeness*, and *Living Originally*. He is a retired faculty member at Unity Institute and Seminary where he taught courses in pastoral studies, spiritual development, and transpersonal theory. He now spends his time writing, teaching Insight Meditation, leading retreats and functioning as a spiritual director. (For more information go to www.robertbrumet.com)

Sunday Message Oct 25, 2020 | Unity of Mississauga

Sunday Service 10:30 – 11:30 pm (*Eastern Standard Time*)

4 Wednesday Evening Classes

October 28 and November 4, 11 and 18, 2020

7:00 – 8:30 pm (*Eastern Standard Time*)

In these classes, we will explore where we are in our evolutionary journey, addressing the question “How did we as a species get to where we are today?” Then we explore the very personal question “Who am I and why am I here?” The instructor will address the needs and desires of those present, and will challenge each of us to take action as we are guided. Engaging this process opens us to the possibility of birthing a greater reality in our personal lives and in the world.
